In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

(a) the object of this Act:

(b) the nature of the particular event for which the licence is sought and, in particular,—

(i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and

(ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:

(c) the suitability of the applicant:

(d) any relevant local alcohol policy:

(e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

(f) the days on which and the hours during which the applicant proposes to sell alcohol:

(g) the design and layout of the premises concerned:

(h) whether the applicant has appropriate systems, staff and training to comply with the law:

(i) any areas of the premises that the applicant proposes should be designated as restricted areas or supervised areas:

(l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition within report dated 17 September 2024.

Medical Officer of Health – No opposition within report received 18 September 2024.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The full file including inspectors report noted the following pertinent points:

- The applicant is a body corporate incorporated in 1959. The application is for two corporate functions - the first of the events is a private business celebrating a further year's work and the second event being a Christmas celebration for the Whanganui District Midwives. The functions are by invite only and will attract approximately 100 people each.
- The applicant holds a Club Licence but needs a special licence to sell to non-members for the special occasions.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise and club licence has been in existence for many years and an extra special licence should not reduce amenity and good order of the locality.
- The premise is suitable for the type of events and layout has been suitable in the past. The marked site plan was included and is the whole site as fenced, including bowling greens.
- The hours appear relevant for the events being undertaken.
- An experienced certified manager is nominated for the event including other staff. This is seen as sufficient to cover the function.
- A designation for the event is not requested.
- Both the Police and MOH have no opposition to the application

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

DATED at Whanganui this 18 day of September, 2024.
