In considering the application for special licence the committee had regard to the following criteria under section 142 of the Act:

(a) the object of this Act:

(b) the nature of the particular event for which the licence is sought and, in particular,—

(i) whether the applicant is engaged in, or proposes at the event to engage in, the sale of goods other than alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which goods; and

(ii) whether the applicant is engaged in, or proposes at the event to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:

(c) the suitability of the applicant:

(d) any relevant local alcohol policy:

(e) whether (in its opinion) the amenity and good order of the locality would be likely to be reduced, by more than a minor extent, by the effects of the issue of the licence:

(f) the days on which and the hours during which the applicant proposes to sell alcohol:

(g) the design and layout of the premises concerned:

- (ii) the sale and supply of low-alcohol drinks; and*
- (iii) the provision of help with or information about alternative forms of transport from the premises;*

(l) any matters dealt with in any report from the Police, the Medical Officer of Health, or an inspector made under [section 141](#).

3. Reporting Agencies

The following reports were received under section 141 of the Act.

Police Report – No opposition.

Medical Officer of Health – No opposition.

Licensing Inspector Report – Full report provided by the inspector including assessment of application against section 142 criteria. The Inspector concludes that the application is complete and will likely meet the criteria of the Act. Draft conditions are also offered by the inspector.

The inspector noted the following pertinent points in her report –

- The applicant is a Trust incorporated in 2003.
- The applicant holds a Conveyance on-licence for the Waimarie vessel but needs a special licence to sell to people attending the events involving the applicant's premises and museum. The event will be both indoor and out and will create a community space showcasing local alcohol and foodies.
- The applicant has not come to the notice of enforcement agencies previously.
- Suitability is not challenged.
- The premise has been in situ for many years and an extra special licence should not reduce amenity and good order of the locality.
- The premises is suitable for the type of event and layout has been suitable in the past. The marked floor plan was included. The licenced area is indoors and or outdoors and is adequately fenced off to control access, and staff will ensure that no alcohol is removed from this area.
- The area will be undesignated with families encouraged to attend the events.
- The hours appear relevant for the event being undertaken.
- Jenna Britton, a certified manager, is nominated for the event including other staff.
- Both the Police and MOH have no objections to the application

4. Decision

The application for Special Licence is **Approved** for issue subject to the conditions outlined in the inspectors report.

DATED at Whanganui this 23rd day of December, 2024.
