RESERVED DECISION OF THE WHANGANUI DISTRICT LICENSING COMMITTEE

1. Application

Wanganui City Football Club Incorporated made the application to renew its Club licence on the prescribed form received on 23 August 2024.

The application for renewal of Club Licence is in relation to the clubs premises at 17 Wilkie Street, Whanganui.

The general nature of the business is that of a sports (football) club. The Whanganui City Football Club has been licensed and in existence for many years. The sale and supply of liquor is not the main focus of the club.

The renewal seeks to keep the same conditions as the current licence. The premise has not come to the notice of officials during the renewal period.

The complete file included –

- The application
- Supporting letter
- Floor plan
- Reports from Police, Medical Officer of Health and Inspector
- Club's Host Responsibility Policy
- Fire Evacuation Scheme letter of compliance from applicant
- Food / Drink list menu

- Copy of public advertisement and premise advertisement

2. Decision Making

In considering this application for Club-Licence the licensing committee had regard to the criteria under section 131 and 105 of the Act.

Section 105/131 assessments:

(a) the object of this Act:

The inspector notes that the applicant has supplied a Host Responsibility Policy stating the measures to be undertaken to ensure the responsible sale and supply of alcohol. There have been no issues raised concerning previous operations so if the policy is followed then compliance with the object of the Act should be able to be achieved.

(b) the suitability of the applicant:

The applicant is an incorporated society for many years and located on the current site for nearly a century. The applicant has supplied the name of two certified managers for the licence. This is considered to be suitable to manage the licence.

The premises has been inspected twice in the last year by the Inspector, including one night time visit. No issues were identified during those inspections. The applicant's manner of trading has not caused concern. The Inspector visited the premises on 26 September 2024 at approximately 4:00pm. The premises was found to be compliant.

The suitability of the applicant is not challenged.

(c) any relevant local alcohol policy:

The application accords with the Policy.

(d) the days on which and the hours during which the applicant proposes to sell alcohol:

Applicant has applied for the same hours as follows.

- **Monday to Thursday, 6.00pm to 10.00pm**
- **Friday, 4.30pm to 10.00pm**
- **Saturday, 12.00noon to 12.00 midnight**
- **Sunday, 12.00noon to 8.00pm**

This is seen as adequate and fit for purpose.

(e) the design and layout of any proposed premises:

Past CPTED assessments have not raised any issues. An existing floor plan layout appears to function satisfactorily. The licensed area is more precisely identified on the plan date stamped as received by Whanganui District Council on 23 August 2024.

(g) whether the applicant is engaged in, or proposes on the premises to engage in, the provision of services other than those directly related to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments, and food, and if so, which services:

Currently the focus is on sport, namely football including adjuncts.

(j) whether the applicant has appropriate systems, staff, and training to comply with the law:

Previous operations have been satisfactory and therefore systems seem appropriate. The applicant has indicated staff have a good understanding of the Act.

(k) any matters dealt with in any report from the Police, an inspector, or a Medical Officer of Health made under [section 103](#). (see 3 below)

(s.131(1)(b))whether (in its opinion) the amenity and good order of the locality would be likely to be increased, by more than a minor extent, by the effects of a refusal to renew the licence:

During 2023 there was an excessive noise direction issued to the Club. This appears to be in isolation and it is hoped the Club has learnt from this incident. Amenity and good order should not be compromised by the renewal of the licence.

(s.131(1)(d))the manner in which the applicant has sold (or, as the case may be, sold and supplied), displayed, advertised, or promoted alcohol.

No issues raised within file.

3 Reporting Agencies

The following reports were received under section 103 and 129 of the Act and taken into account during the decision.

3.1 Police – No opposition within report received on 9 September 2024.

3.2 Medical Officer of Health - Report received on 17 September 2024 of no opposition.

3.2 Licensing Inspector – Full report dated 3 October 2024. The inspector is satisfied the application is complete and has no opposition to the renewal application. The Inspector recommends the following additional condition from the LAP – *"Where patronage exceeds 100 people at any one time, a certificated manager must be on duty"*.

4 Conclusion

Based on the evidence provided to me within the complete file, my assessment above of section 105/131 matters and the past operation of the premise/licensee, I conclude that the application meets the statutory criteria to be granted a renewal of Club-Licence under the Act for a period of three (3) years.

5 Decision

The licence can be issued subject to the conditions within the inspectors report.

The application is **Approved** for issue immediately.

Dated at Whanganui District this 4 October 2024.

Signed

Whanganui District Licensing Commissioner
