

Membership Information

We recognise that regular swimming can be costly, so if you use our facilities often (three or more times a week) a membership may be the best option.

We offer Upfront Memberships or 6 and 12 Month Memberships.

Upfront swim membership requires payment upon application. For 3-month membership there is no ability to suspend the membership. For 6 month and 12 month upfront memberships you are able to suspend after the first 3 months, for a minimum period of two weeks and a maximum of 60 days each calendar year. Other terms and conditions are on the Membership Terms and Conditions Document.

6 and 12 Month(Continual) swim memberships are paid by direct debit, 6 months is a 26 week term and 12 months membership will continue unless cancelled. After 3 months you are able to suspend, for a minimum period of two weeks and a maximum of 60 days each calendar year. Other terms and conditions are on the Membership Terms and Conditions Document.

Each membership entitles you to swim at both Splash Centre and Whanganui East Pool.
